Applicant: HDM Systems Corp.

Title: Battery charging method (電池充電方法)

Your Ref.

Our Case No. 840352 (please always quote our new case no. as this one)

Dear Mrs. Liu:

Further to our facsimile letter dated February 24, 2003, since without your instruction concerning the representative drawing for laying open, we have selected Fig. 4 of this application and submit it along with the Chinese version of the specification and claims with the Intellectual Property Office (the IPO) on February 25, 2003. The filing of the application is complete now. Enclosed herewith please find one copy of the Chinese version of specification & claims as filed for your reference. Please also find our Debit Note in duplicate for your early settlement.

Concerning the further procedure of the application, please be advised that according to Article 36-1 of the Patent Law, an invention patent application will be subject to pre-grant publication for public inspection eighteen (18) months from the filing date of the application, or from the priority date of the application in case a priority has been claimed for the application. The IPO may publish an invention patent application earlier than the elapse of the foregoing eighteen-month period by request. For your information, the projected publication date of this application will be May 27, 2004. Our reporting letter along with the said publication will follow in good time.
